Sample report: made-up results

YOUR SUMMARY

This is a sample report with made-up results. Your own report describes your strengths, your interests and the careers that suit you, written from your scores.

At a glance

Career Readiness

68%

How ready your skills are for the careers you could choose, from all seven skill areas.

Personality type

The Analyst

Your strongest personality trait in this assessment.

Interest profile

Six interest areas (RIASEC). Your three strongest make your code.

Your interest code: **I R C**

R	**Realistic: practical, hands-on work**	72
I	**Investigative: ideas, analysis and science**	84
A	Artistic: creating and expressing	48
S	Social: helping and teaching people	41
E	Enterprising: leading and persuading	55
C	**Conventional: order, detail and data**	66

Skills

Each skill out of 100. Low is under 40, Developing is 40 to 70 and Strong is over 70.

Analytical thinking	Strong	78.5
Logical reasoning	Strong	72
Creativity	Developing	64.5
Communication	Developing	58
Leadership	Developing	46.5

Skills to develop

Skills your top careers need where you are not yet Strong.

Communication	Developing	58
Leadership	Developing	46.5

Subject scores

From your subject assessments. They add to your career matches.

Physics	75

Section scores

Career Disha Assessment

Attempt 1 · 18 Nov 2026

Verbal aptitude 12 of 12 answered	68.8
Numerical aptitude 12 of 12 answered	81.3
Logical reasoning 11 of 12 answered	75
Interests 12 of 12 answered	62.5
Personality 4 of 12 answered	Insufficient

Physics Aptitude

Attempt 1 · 18 Nov 2026

Physics 20 of 20 answered	75

"Insufficient" means too few questions in that section were answered to score it fairly, so it is left out rather than scored low.

Recommended courses

Matched to your top careers, your state and how you prefer to study, as on 18 Nov 2026.
